

Completing an NOP Import Certificate (NOP 2110-1)

To facilitate the exchange of organic products, the U.S. has established trade partnerships with several countries. These arrangements provide U.S. organic producers with additional market opportunities and allow consumers to enjoy a wider range of organic products year-round. The terms of each arrangement are available at: <http://www.ams.usda.gov/NOPInternationalAgreements>.

These instructions are designed to help authorized foreign organic certification bodies complete a National Organic Program (NOP) Import Certificate (NOP 2110-1):
